Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Dear Ms Cue, I object to this application. Whilst compared to other recent applications in the vicinity, this is smaller scale, one must look at the potential cumulative impact of the multiple recent submissions. The area is serviced by two GP surgeries, one in Meopham, one in Istead Rise. Both have confirmed in writing in recent applications that they have no capacity. If such basic provision as GP availability cannot be provided, then there cannot be development. There must be infrastructure and facilities to support proposed development or it must be part of such development. None of the recent applications, including this one, address the lack of GP facilities for the proposed residents of said developments. On that basis alone, this application, and all others must be rejected until the provision of necessary services has been made. [REDACTED]

Kind regards
