Reasons for comment:

Comments: Dear Planning Officer,
I am writing in SUPPORT of the planning application 20260757 for the proposed development on the land south of Bowesden Lane, Shorne.
Looking at the drawings we can see this is a very high quality design and is in keeping with the area.
It would blend in well with the landscape, making it an attractive addition to the end of the lane.
It is a good use of the empty plot that would otherwise be deteriorating.
I believe this dwelling will make an ideal family home and be of benefit to the village.
It would also provide employment for various trades during its construction and in its maintenance thereafter.
We fully support the application and respectfully ask the Council to grant full planning permission.

Kind regards
