Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I believe maintaining a healthy diet is essential, especially while working in healthcare. I often choose to have my lunch at the Tropical Brazilian Shop because it offers a variety of nutritious options that I don't often find elsewhere. Their unique selection of health foods really supports my goal of staying energized and focused throughout my day at the GP surgery.

Kind regards
