Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I live in Hollybush Road, only several houses away from 68 Whitehill Road. Parking is often an issue in my road. The front gardens are too small for off road parking and we also get cars from Whitehill road parking in Hollybush road. There are a number of elderly people living close to 68 Whitehill road. It is bound to generate need for more parking spaces and if older residents can't park near to their homes it will have a big impact for accessibility and shopping etc. As close neighbours we have not been told about the disabilities/vulnerabilities of the 7 occupants. This is very worrying for vulnerable people living close by.
