Details of the pre-application advice received

Upon site visit from Mr Brown, i was advised the following options:

to separate the pergola entirely from the house and make it a completely independent structure from the house. also was advised to reduce height and length to match outbuilding measurement requirements.

I was also advised that if i don't wish to make alterations to it, i should then apply for a planning permission.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
