Date: 19 December 2024

Dear Sir/Madam,

ELECTRONIC COMMUNICATIONS CODE REGULATIONS 2003

REFERENCE NO.	20241111
PROPOSED DEVELOPMENT	The Electronic Communication Code (Conditions and restrictions) Regulations 2003 (as amended) - Regulation 5 Notice of Installation of 1 No. 9M Medium Wooden Pole.
LOCATION	259 Dover Road Northfleet Gravesend Kent DA11 9QW

With regard to the details received, the proposal above is deemed to be in compliance with Part 16 of the Town and Country Planning (General Permitted Development) (England) (Amendment) (No.2) Order 2015 and, as such, **GRAVESHAM BOROUGH COUNCIL** has **NO OBJECTIONS** to make.

Reasons

1. The proposed development is considered to comply with the parameters set out in Schedule 2, Part 16, Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). The proposal therefore constitutes permitted development.

Consideration should be given to the fact that the pole appears to be located on the pavement, and it is important that pedestrian manoeuvrability is not impeded.

INFORMATIVES:

1 DRAWINGS/DOCUMENTS

For the avoidance of doubt, the forms, plans and documents upon which this decision is made comprise:

Consultation Letter
Site Location Map.

2 CONDITIONS

The permitted development is subject to the conditions set out at A.2 (2), Class A (Electronic communications code operators), Part 16, of Schedule 2, Article 3 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

The above comments are based solely on the information provided and are an informal viewpoint at officer-level only, based on relevant policies and considerations at the time.

Please note, this reply relates to this application only and does not cover any consents required under other legislation.

I hope the above is of assistance.

Yours faithfully,

Shazad Ghani
