Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I object because the A227 is already too busy and can be very dangerous, walking from Meopham green to Culverstone primary school (which many people do) it is necessary to cross the road 4 or 5 times (depending which way you are going, and which side you start out on). There are are no crossings in between. It is a fast road despite any speed limits imposed, and at times struggles to cope with level of traffic, including very heavy traffic. 100 home will mean 200+ additional cars.</p> <p>Meopham surgery cannot cope now, I don't really consider that I have a GP anymore! Appointments very difficult to get.</p> <p>The bus service is infrequent, on Sundays non-existent, so from Culverstone the only way to get to the station is to drive.</p> <p>Flooding is still a frequent problem, this can only get worse with more fields concreted over.</p> <p>Let us keep our villages and not become another urban sprawl.</p>
