Reasons for comment:	
Comments:	<p>I have been a resident of the Culverstone area for many years and have particularly been disheartened by the changes to the rural character of the area. The peaceful and beautiful area is now disrupted by the increase in traffic and persistent parking problems.</p> <p>I strongly object to this proposal, which I believe will further degrade the quality of life for existing residents. Our local infrastructure is already under severe strain. Schools in the area are full, GP surgeries are overstretched, and further development will only worsen the situation. In addition, the environmental impact cannot be ignored. The proposed development poses a serious threat to local wildlife and their habitats which I feel very strongly about.</p>

Kind regards
