| Reasons for comment: |  |
| Comments:            | <p>I grew up in Culverstone and still regularly visit my parents. The traffic is already bad in the area and I can only imagine how terrible it will get if the proposal goes through.</p> <p>I have considered sending my little boy to the local school but have now been put off. 100 new homes will bring more children than the existing system can support resulting in my child not getting the attention and support I wish him to have. The same applies to GP surgeries and public services, which are already under pressure. I heavily object to the proposal and hope that this doesn't go through.</p> |

Kind regards
