Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this development for a number of reasons living on this road I've witnessed accidents people drive through here over taking without a care for any one living or walking up the path it's already a very busy road and this will add 200 plus more cars the infrastructure of the road is terrible the flooding in this road is already terrible when it's heavy rain so this will definitely add to it there also are bats living around here as I see them every evening in the area the development will be Meopham has always been known as a picturesque village and this will surely be the beginning of making this a town to Gravesend all the way through the village it's ridiculous even thinking about this on such a narrow road I plead with you to not let this go through

Kind regards
