Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to the planned development as I believe there is a significant impact upon the existing wildlife in this area, wildlife which has been evident upon this site for decades. Once this wildlife has its environment removed it will be gone forever. I also object on the grounds that 100 new houses will add approximately 200 new cars/vans to an already saturated A227, the A227 was not designed to be a main road, it is a road through our village.</p> <p>The current infrastructure within Culverstone/Meopham is already fully utilised with schools being full and doctors surgeries working at capacity.</p>

Kind regards
