Reasons for comment:	
Comments:	<p>I object on the following grounds</p> <ol style="list-style-type: none">1) This is not a grey or brown fill site and the green belt should be protected.2) The A227 is busy enough as it is, especially as there are limited bus routes. Building these houses would result in additional cars on the roads adding to the dangers to residents as well as polluting the atmosphere especially during the school run and the rush hour.3)The site contains many specials of fauna an flora that need protecting. It also also near to an ancient woodland that also needs protecting.4) There are currently no plans for access roads

Kind regards
