Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I must object to this development being built</p> <p>The roads in Culverstone are already congested. To see a doctor at Meopham medical practice is already difficult. The school is over subscribed and at school drop off and pick up time the roads around the school has become a car park.</p> <p>We do not need this development in Culverstone.</p> <p>We must keep our green space, keep pollution to a minimum for the sake of future generations.</p> <p>The A227 is already taking more cars/lorries than it was ever built for. 100 new properties will surely add extra strain upon this already busy road.</p>

Kind regards
