Reasons for comment:	
Comments:	<p>This is a most crazy application- To have more dwellings and therefore more people and traffic along the A227 is going to cause problems with congestion, the road is just to narrow and dangerous with the heavy traffic it already takes- if anything the A227 should be downgraded to a B road.</p> <p>On Thursdays I collect my grandchildren from Wrotham school and the journey from Meopham to Wrotham is horrendous (A227)- last week we stopped on route 3 times because 2 large vehicles couldn't pass each other in either direction, the road is just too narrow, it is an accident waiting to happen- someone will be killed.</p> <p>The wild life in this area will also be disturbed- Blackthorn farm is a known habitat for Bats!</p>

Kind regards
