Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: I grew up in Meopham and cannot express how important the open countryside was to me and my friends, who came to visit from Gravesend and Rochester. The Greenbelt should remain green for everyone to appreciate and if the roads get any busier, then the dangers will increase. We have already had accidents such as the bus and tractor, as well as the local Speedwatch tracking over 500 speeding cars. Culverstone school is close to this proposed housing estate, my cousins went there over 20 years ago and even then parking was a nightmare with cars on the verges. Culverstone and the A227 cannot take any more traffic - it is a catastrophic accident waiting to happen

I object strongly

Kind regards
