Reasons for comment:	
Comments:	<p>I moved into this area over 20 years ago due to its peaceful location and open spaces. Since then it has steadily become more and more congested along the Wrotham Road with traffic especially with large lorries. Adding a further 100 properties to this area will only cause more traffic and pollution levels becoming higher. There are several schools in the area which do not need any further families trying to gain places so why build in an area that is becoming over crowded.</p> <p>I strongly object to this new development as I believe those already living here deserve the type of community they bought in to and not everywhere they look more and more houses.</p> <p>Please consider somewhere else to build I am sure there is land in other areas more suitable.</p>

Kind regards
