Reasons for comment:	
Comments:	The traffic on the A227 is bad enough as it is. If planning for Blackthorn Farm gets through the whole area will be grid locked. It's dangerous as it is with vehicles speeding thru past the schools way over the speed limits. Our precious children aren't safe. Large lorries and trucks cut through from one motorway to another and if there are hold ups or roadworks they use the lanes which makes it even worse. What about the flooding sink holes etc etc. Has anybody from the council really considered these problems.

Kind regards
