Reasons for comment:	
Comments:	I strongly object to this proposal. It would mean the destruction of agricultural land for our farmers. Wildlife would be affected, bats are nesting on this site. The housing will be largely not the type of affordable housing we need. Traffic would increase to unacceptable levels along with the loss of a busy road in Norwood lane which takes a lot of traffic off of Green lane and Wrotham rd when there is congestion on the local road network. We do not have sufficient transport links to cope with such a big increase in population. The land is chalk substrate so flooding is a risk. I believe it would effectively join the two villages of Meopham and Sole street ie urban sprawl.

Kind regards
