Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This plot is not suitable for the proposed change of use. The plot borders a narrow country lane which is not suitable for the traffic that this proposal will attract such as Lorrie's and caravans including tourers and static caravans . Already a static caravan has been placed on the site without permission which caused Pear Tree Lane to be come blocked for a considerable time. The plot is small and this proposal could potentially create congestion on the adjoining lane. This is green belt land which creates a buffer between the public house and properties along Pear Tree Lane. To allow such a proposal is setting a precedent and opening the gates to anyone just sitting static caravans where they like without consent. Retrospective planning consent should be declined .

Kind regards
