Reasons for comment:	
Comments:	I am a member of a walking club of around 10 people we used to drop by the See ho for soft drinks on our travels, we have stopped going to the See ho since the beginning of the year due to safety fears. I still repeat the travellers site is not in keeping with the characteristics of Shorne & the village and traffic count is already too high. The travellers require an open field I feel sorry for the immediate neighbours who have lost enjoyment of their properties while Gravesham Council sit on their hands and do nothing mentioning human rights for the few at the expense of the many!

Kind regards
