Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I believe this facility is vital to allow sport on an all weather surface in the Gravesham area to take place both during the day and in the evening under floodlights as there is no other affordable facility in the area for use by local clubs both for training and playing football. As it is located at a girls school there would be a particular encouragement for girls and women to taker part in sport both for recreation and health benefits

Kind regards
