Re: Planning Application 11 Longwalk, Intead Rise

- 1/ He seems to be planning SOLID WALLS NOT CAVITY WALLS
- 2/ If extended ~~beyond~~ beyond house, Sewage pipe will be boxed in ie in kitchen!
- 3/ Sink on boundary wall - where would drain go?
- 4/ Water pipe etc under driveway
- 5/ Change of Use of Garage to storage - together with extra cooking facilities ie 2 ovens, extra cooking rings - Catering Business planned?
- 6/ The driveway is for 3 cars and is needed as narrow road

1/ OBJECT strongly to the above Application.

P.S. You need to VISIT to see discrepancies etc. ^{See previous letter also.}
