Dear Ethan Bonron,
R.E. 20211350 – Firle, Longfield Road, Longfield, Kent, DA3 7AP

Following discussion by Meopham Parish Council's Planning Applications Committee; the Council wishes to provide the following response:

We object to this application. The current property has used the accepted amount for new development and any further development would constitute overdevelopment in the Green Belt.

Yours Sincerely

Shaun Fishenden
