Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly oppose the planning application on GREENBELT agricultural land in The Drove Way. I have lived in this road over 50 years and can not believe this is being considered This is precious land that must be protected as natural habitat for the wildlife that lives there. The plan is inappropriate and does not reflect or benefit the needs of local people. There is a huge lack infrastructure for any more houses and the traffic is already a nightmare at peak times to get in or out of Istead Rise. No appointments available at local GP surgery and no school places for local children. Public transport is dire and we have no safe walking or cycling routes to Gravesend or Meopham. This development should not be permitted and neither should any other GREENBELT land in Istead Rise.

Kind regards
