Reasons for comment:

Comments:	We feel that a Gypsy/traveller encampment is an inappropriate development for this area because of the following points:- 1. It is completely out of character with the properties in the local surrounding neighbourhood and very near the boundary of a conservation area. 2. Four additional homes plus their visitors will increase the parking/traffic movement in an already busy and limited area for parking due to visitors to the nearby public house which is even heavier traffic/parking when a wake is taking place in the pub, which is a very frequent event throughout the week. 3. The atmosphere in the local pub which is enjoyed by locals and visitors alike could feel uneasy and have a detrimental affect, which we know has happened at other local pubs.
