I wish to **object** to planning application number **20260649** for the reasons stated below:

The land north of the Drove Way is NOT included in the local plan and should therefore NOT be put forward for building development.

I have recently moved to the Drove Way with my husband and young baby. I regularly walk around this field which is abundant with wildlife including red legged partridges which although are not yet endangered, are in decline. This is prime farmland, which given the current volatility of food production worldwide is vital for our future food security.

Our local primary school is at capacity so are our doctors & dentists. There's always heavy traffic on the surrounding roads, which can make journeys stressful. I strongly urge the council to disagree.
