Application Reference: 20260649

Case Officer: Rebecca Harrison

Location: Land North Of The Drove Way, Istead Rise, Gravesend, Kent

Proposal: Development for up to 100 residential dwellings (Class C3), including the formation of new accesses from The Drove Way.

My Title & Full Name:

**My address
& postcode:**

I wish to **object** to planning application number **20260649** for the reasons stated below:

1. I am very concerned that water supplies in this area cannot cope with any more housing plans.
2. Our local school, and our GP surgery, cannot accommodate more spaces.
3. Traffic congestion will, in effect, make it extremely difficult to get off Istead Rise & onto the A227.
"Clean air" will be a thing of the past.
4. Contrary to "popular belief", I can vouch for the fact that we do not have a regular or reliable bus service into Gravesend - or to Meopham - where the train stations are.
5. Valuable green belt land is being "stolen", when brown sites are available. Farmland vital for growing our own food is being lost.
6. We have a lack of infrastructure for a larger population, shopping facilities and parking are over-stretched already.
