I wish to object to planning application number **20260649** for the reasons stated below:

The plan does not take in the pressures of our schools and GP surgery which is already at maximum capacity. We need our farmland for vital food security. Properties being built need to be for the local people.

There will be more congestion at junctions in and out of Istead Rise along the A227. They already are congested, due the number of residents who live on Istead Rise now.
