Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	We object to this planning application because we feel its an invasion of our privacy the house that is there now is not as big and one of the windows already look into our garden and also feel this would take some of the sun from our garden. We feel that the buiding of the new house being as its going to be three storeys high isnt in keeping with the other houses surrounding it and would ruin the look of the area. The garage come workshop and gym is right up against the fence and would impact on the view [REDACTED]
