Reasons for comment:	
Comments:	Will further restrict parking spaces (already impossible to park). This is a family neighbourhood with small children, we do not want London-style, flat based accommodations taking over our street. There are already 2 in Cross Lane East apparently - we were never notified despite living opposite them (no 27 being one of them). We don't want our community/ demographic changed with these types of builds. These are not designed for families, this is purely for profit. We strongly object.

Kind regards
