Reasons for comment:	
Comments:	I appreciate the need for this building but do not want the evening and weekend peace of living where I do disrupted by the new building being used at these times.(evenings and weekends). This has been the case during the Summer of 2024 on occasions when activities have taken place. In order to reduce any potential noise when the building is completed and in use I feel that a decent quality higher fence should be erected between this new building and my property which backs onto the school.

Kind regards
