Details of the pre-application advice received

Extending in principle is acceptable subject to openness of the Green Belt, effect on the appearance and character of the area, effect on bio-diversity, impact on the landscape and amenity of neighbours.

The revised proposal submitted with the pre-application was considered a good improvement on the design previously submitted and refused. There was a concern about the extent of the extension proposed and the advice was to seek to balance the front elevation and reduce the width of the proposed house.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
