Ms Amanda Cue
Planning Department
Gravesham Borough Council

Dear Amanda

20251044

**Erection of a two-storey side extension with front hip dormer and rear hip dormer with Juliet balcony, together with front hip dormer and rear hip dormer with Juliet balcony to the existing roof slope
LOCATION Hope House, Ridge Lane, Meopham, Gravesend, Kent**

Thank you for your letter dated 3rd November regarding the above planning application.

Access to the property is via Ridge Lane, which is also recorded as Byway Open to All Traffic NS285, and this access should remain unaffected by the application. I enclose a copy of the Public Rights of Way network maps showing the line of the path for your information.

The granting of planning permission confers no other permission or consent on the applicant. It is therefore important to advise the applicant that no works can be undertaken on a Public Right of Way without the express consent of the Highways Authority. In cases of doubt the applicant should be advised to contact this office before commencing any works that may affect the Public Right of Way. Should any temporary closures be required to ensure public safety then this office will deal on the basis that:

- The applicant pays for the administration costs.
- The duration of the closure is kept to a minimum.
- Alternative routes will be provided for the duration of the closure.
- A minimum of eight weeks' notice is required to process any applications for temporary closures.

This means that the Public Right of Way must not be stopped up, diverted, obstructed (this includes any building materials or waste generated during any of the construction phases) or the surface disturbed. There must be no encroachment on the current width, at any time now or in future and no furniture or fixtures may be erected on or across Public Rights of Way without consent.

Yours sincerely
