Location: Bowling Green , Church Walk, Gravesend, Kent DA12 2QU

Proposal: Application for the approval of condition 8 (Sustainable Surface Water Drainage Scheme and Infiltration) and condition 9 (Foul and Surface Water Sewerage Disposal) attached to planning reference number 20221328

Thank you for your consultation on the above referenced planning application.

Kent County Council as Lead Local Flood Authority have the following comments:

Having reviewed the latest information submitted we confirm that this addresses those concerns raised in our previous response and that as such we remove our recommendation for a holding objection to the discharge of condition 8.

This response has been provided using the best knowledge and information submitted as part of the planning application at the time of responding and is reliant on the accuracy of that information.

Yours faithfully,

Neil Clarke
