Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My first reason to object to the proposed development is that it is Green Belt land and should not be built on. The location of the dwellings currently sits in the centre of a wide open space therefore making it very exposed to the residents and an eye sore from many directions in the village. It is no in keeping with the character of the village of Sole Street. White Post Lane is a narrow, single track road not suitable for too many residents and access is therefore restricted. This the occupier knows as they have destroyed numerous trees and hedgerows to get the building into the location. This destruction has effected the wildlife that usually inhabits our quite lane.

Kind regards
