Reasons for comment:	
Comments:	As a local resident, I fully support the proposal for a new mosque. It is most definitely needed and aligns with Gravesham Borough Council's policies on inclusive, community-focused development. There are other mosques in Gravesend but the parking there gets worse every year. Here though, I don't have much concern about parking. Existing residential bay restrictions prevent misuse, and there are public car parks nearby. This development will strengthen and support our community.

Kind regards
