Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application

Reasons for comment:

Comments:	I support this application as this building has been closed for a long time. The proposed mosque will give it a new life as a peaceful and respectful place that serves local families. I understand this is not just for Muslims. The centre will offer classes, food distribution, and youth support open to all. Also, it shows that Gravesend is a town of respect, and diversity.
