Re: 20230389 - Land At Former Cement Works, The Shore, Northfleet, Gravesend Kent

Application for approval of condition 3 attached to planning permission reference number 20220078 relating to details of the archaeological watching brief.

Thank you for consulting Heritage Conservation on this application. I would be happy for the submitted details to be approved and for Condition 3 of 20220078 to be discharged. The same details have been submitted against EDC/22/0015.

I have agreed with the applicant that the detailed writing-up and interpretation of the watching brief on this site will be integrated into the final reporting for the wider former cement factory site.

I hope that this is helpful and would be happy to discuss further.

Yours sincerely.
