Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I strongly object to the planning application The roads cannot cope with the traffic already generated by Meopham's population. Especially around school drop off and pick up This is absolutely GREEN BELT!!!! The schools are at capacity The doctors surgery is at capacity and almost impossible to get an appointment The A227 is extremely congested and cannot cope with the local traffic. There is not adequate parking for the shops I have lived in Meopham for over [REDACTED] years and this would be detrimental to our village. This proposal is also in close proximity to the grade 2 listed Melliker Farm</p>
