Reasons for comment:	
Comments:	Being there is only one road to enter or exit Meopham it will mean more traffic especially near the schools in that area making it dangerous to cross a very busy road to get to schools. Not only traffic impact but also air quality. There is only one major hospital for the area you have to queue to get in and not enough parking. The bus service is unreliable. There isn't enough shops. We would like our children to see greenery where the new house are going to be built on green belt land.

Kind regards
