Dear Sirs

Re 43 Scratton Fields, Cobham, Gravesend, DA12 3AS
Prior approval application for a single-storey rear extension
with a depth of 4.00 metres, maximum height of 3.50 metres
and eaves height of 2.40 metres. REF: GR/2023/1133

With reference to the above planning application, the Society would wish to comment that it is noted that the drawing appears to indicate the introduction of three roof lights in the front roof slope. The Society would suggest that to reduce the impact on the street scene, the number of roof lights should be limited to two, positioned in line.

Yours faithfully

Mrs P A Lippiatt
Hon.Secretary
