Dear Sir/Madam,

Planning Application comments have been made. A summary of the comments is provided below.

Comments were submitted at 01/11/2024 9:40 AM from [REDACTED]

## Application Summary

Address: Former Tollgate Hotel Watling Street Gravesend Kent

Proposal: Demolition of existing buildings to provide an EV charging hub and petrol filling station, including 24 charging bays and supporting electrical infrastructure (12 charging upstands, three substations and two network cabinets), six pump islands with canopy above, a forecourt shop/amenity building, customer parking, two air and water spaces and associated hardstanding and landscaping, accessed from the Wrotham Road/eastbound A2 roundabout junction.

Case Officer: Mrs Alison Webster

Address: [REDACTED] Wrotham Road Gravesend

## Comments Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: We support this application as access to such services are far more appropriate directly from the highway vs going through a residential are. I would request that specific concerns are addressed around anti-social behaviour (ie cctv coverage) to ensure the station is not used as a gathering place for 'boy racers' as is with the Shell petrol station on Wrotham Rd. Consideration should also be given to the green spaces surrounding the new station to ensure it blends in with its surrounding.

Thanks

Kind regards
