20250864

I am writing to confirm my full support for the letter of objection dated 30 December 2025 submitted by [redacted] in relation to Planning Application 20250864 – Retrospective change of use of the land and building to offices with hard surfacing to create additional parking and delivery area at Walnut Hill Nursery.

I share the concerns raised in their objection and wish for these to be given full consideration as part of the planning process.

I would also like to ask why no enforcement action appears to have been taken in relation to this case, given that the application is retrospective.

Yours faithfully,

[redacted]
