Reasons for comment:	
Comments:	My mum lives at [REDACTED] Beaumont Drive. This proposal would have parking at the rear, which would likely end up with cars backed up in the alleyway. This would block access to my mum's garage as well as other neighbours. Parking is already an issue on the street with many "works" vehicles and this new house would exacerbate the issue. My mother also regularly uses the public path to Dover Road and inappropriate parking would restrict access. The design is for a 2 bed in a road of 3 bed houses which is odd and the house design is unlike all the others. This would be detrimental to street and neighbours

Kind regards
