## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I think that a development of this size will provide much needed housing in Meopham without having a significant impact to the area. The proposed location is not currently being utilised and is ideal for a development of this nature. A small house builder such as Esquire will likely deliver a higher quality development than a large national builder.

Kind regards
