Details of the pre-application advice received

- Planning permission would be required.
- An application based in this pre-application would likely be considered unacceptable due to the cumulative significant and disproportionately large additions and poor design of the rear elevation. It would also fail to comply with internal space standards, provide adequate parking space for the dwellinghouse as increased and there are significant concerns as to the impact on the residential amenity of neighbours.
- It is suggested that a significantly reduced scheme in terms of scale be considered, considering impact on the design of the dwellinghouse, amenity of neighbours, future occupiers spacing requirements and available parking provision. Should the applicant/agent so choose they may wish to submit a further application for pre-application advice prior to submitting a planning application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☒ No
