Details of the pre-application advice received

The new summer house building that has been erected requires a specific planning permission because a condition attached to the original planning approval for the main dwellinghouse (condition 4 of 20031049) withdraws all 'Class E' Permitted Development rights. In addition, the building is within 2m of a boundary and stands 2.8m high at its height point when measured from prevailing ground level. (NB These comments represent a summary of advice provided in two separate emails by Mr Brown).

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
