On behalf of our client, Reef Group, we hereby submit details pursuant to the discharge of Condition 34 'Travel Plan' of the above planning permission. Condition 34 reads:

Prior to any part of the permitted development being occupied or used, and notwithstanding the details shown on the approved plans, submitted documents and application form, the applicant shall prepare and submit for the approval of the Local Planning Authority a final Travel Plan generally in accordance with the Framework Travel Plan submitted with this application. The Travel Plan shall include, amongst other things, the appointment of a Travel Plan Co-ordinator and the plan shall be monitored at yearly intervals; the measures approved in the Travel Plan shall be implemented in accordance with the approved details or any changes subsequently made under its monitoring review process

To support the discharge of Condition 34, a Travel Plan has been prepared by Paul Mew Associates and submitted alongside this application.

The information to support the discharge of the above condition has been submitted and the requisite application fee of £383 has been paid via the Planning Portal (ref. PP14396643).

We trust the information submitted is sufficient to satisfy the discharge of this condition, however, please do not hesitate to contact me if you have any queries or require any further information.

Yours sincerely,
