Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this development . The entire infrastructure in istead rise is completely inadequate now . The school is oversubscribed already , the GP surgery is overwhelmed , the drove way cannot support further housing . In my opinion this is a ludicrous application and as a small village we simply cannot cope with more housing . Public transport is patchy to say the least . The roads are not fit for purpose as it stands and we are in danger of losing all of our green spaces . I sincerely hope that GBC make the only sensible decision .

Kind regards
