Reasons for comment:	
Comments:	My main objection is the amount of traffic this will increase in Istead Rise. As the bus service is very poor, with no early morning or evening buses, anyone who works, attends college etc will need to be driven. The A227 and surrounding roads, are already very busy and this will make it worse. There is also the issue of availability at the Doctor's surgery and the local hospital is already at capacity. These points, coupled with the recent water restrictions should be enough to stop any further building in Istead Rise.

Kind regards
